PROGRAMME FOR SLOW AND ADVANCED LEARNERS

Process of Identification of Slow and Advanced Learners

As we have Continuous Evaluation System and Semester End Examination to evaluate our students, we recognize slow learners who have 60% below marks in CIA & Semester End Exam both and above 80% marks called advanced learners.

After evaluating the performance in examination of students, we categorize them as slow and advances learners.

Conduction of Activities for SlowLearners

- List of slow learners are provided to concerned faculties
- We allot mentors for slow Learners
- Slow learner aregiven special attention and extra time to improve on their limitations.
- They are given extra assignments,motivated to come forward for class presentations.
- They are provide with question banks to help them in answering questions.

Conduction of Activities for AdvancedLearners

- List of advancedlearners is provided to concerned faculties
- We allot mentors for advanced Learners
- Advancedlearners are given special attention to empowertheir abilities.
- Advanced learners are encouraged to make more use of library facility.
- They are encouraged to participate more and more in activities like presentation, quizzes and other competitions at institutional, state and national level.
- Facility of Employment Guidance Center to help students to prepare for various competitive exams.
- For holistic development of advanced learners club activities of our college are organized by advanced learners. Various competitions like national level debate competition , interschool dance competition , storytelling competition are organized by advanced learners. All the work of conducting these activities from planning to execution is being done by advanced learners

Slow and Advanced Learners (2023-24)

Criteria for identification of slow and advanced learners

To identify the slow and advanced learners the following methods are taken into consideration

- ❖ Marks / Grades of previous classes.
- ❖ Score obtained in diagnostic test.
- ❖ Participation in co-curricular and extracurricular activities.
- ❖ Behavior in the classroom.
- ❖ Class Presentation.
- ❖ Quality of assignment.

On the basis of above criteria slow and advanced learners are identified as follows-

S.No.	Criteria	Slow Learners	Advanced Leareners
1.	Marks / Grades of previous classes.	>= 40 %	< 90 %
2.	Score obtained in diagnostic test.	>= 11/ 30	=< 27/30
3.	Participation in co-curricular and extracurricular activities.	Not interested	Very much inetersted
4.	Behavior in the classroom.	Passive listeners, shy, Non answering, non co-operative	Very active, Concentrating , co-operative, interested in discussion on topics
5.	Class Presentation.	Very poor, Unable to explain even a simple topic, Lac of confidence	Presentation with confidence, explanation is very sharp. Prepare presentation as required with pictures and video clips.,
6.	Quality of assignment.	Generally copied, No creativity,	Quality of assignment is very high, use of ray diagrams and pictures , use multiple books and internet resources to prepare assignments.

Applied Measures for improvement of Slow and Advanced Learners

After selecting slow and advanced learners, we provide them appropriate assistance to improve different areas of their personality. The measures applied for their improvement are as follows:

Measures for improvement of Slow Learners :

- Extra Classes
- Provide simple notes and PPTs
- Monitoring by Advanced learners.
- Time to time motivation
- Provide Videos of related course contents
- Encourage to participate in different co curricular activities.

Measures for improvement of Advanced Learners :

- Provide research based project work.
- Encourage to participate and organize seminars on the topic of interest.
- Encourage to help slow learners.
- Encourage to lead different co curricular activities.
- Suggest some standard books to read with course books.
- Encourage to use library and digital resources
- Provide guidance for future and motivate to do extra effort to achieve the goal.

2.2.1 Slow and advanced learners Detail

Criteria of Identification of Fast Learners (Session 2023-24):-

To identify the Fast learners the flowing methods are taken into Consideration-

Marks/Grade of previous classes

• Participation in Co-curricular and extracurricular activities

Behavior in the classroom

List of Fast Learner:-

| SL.No.	Name of Student
1.	BANTHIA SADHANA K.P
2.	KHUSHI SURANA
3.	KIRTI JAIN
4.	KOMAL S
5.	MEHTA RUJUL RAJESHKUMAR
6.	RUCHIKA MALOO
7.	VEENU
8.	ANJALI S
9.	CHHALLANI CHANDAN ASHOK
10.	KANISHKA BAPNA
11.	RICHA SANKHLA

Efforts for Fast learners:-

Organize NET/JRF Classes.

Motivate to Research work

Slow Learners (Session 2023-24):-

Not a Single student is a slow learner because their midterm exam results and presentations are so good.

(Prof. Anand Prakash Tripathi)

- **Criteria of Identification of Fast Learners(Session 2023-24) :-**

To identify the Fast learners the flowing methods are taken into Consideration-

- Marks/ Grade of previous classes
- Participation in Co-curricular and extracurricular activities
- Behavior in the classroom

List of Fast Learner :-

- Girija Kanwar
- Sara Bano
- Muskan Bano
- Muskan
- Komal Jangir
- Kiran Regar
- Harun Nisha Bathbora
- Sangita Janu
- Tina
- Narendra Singh hiv Shanka
- Simran Bano
- Deepanshi Chitlangiya
- Poonam Meghwal

Efforts for Fast learners:-

Organize NET/JRF Classes.

Motivate to Research work.
