Report on One-Week Workshop
On
"Why IPR"
Organised by:
Internal Quality Assurance Cell (IQAC)

A one-week workshop on "Why IPR" was organized by Internal Quality Assurance Cell (IQAC) of Jain Vishva Bharati Institute to enhance faculties, researchers and students understanding of Intellectual Property Rights (IPR) and its significance in academia and research. The event aimed to raise awareness about patents, copyrights, trademarks, and their role in fostering innovation and protecting intellectual assets.

Objectives of the Workshop

- To familiarize faculty members with the basics of IPR
- To highlight the importance of IPR in academia and research
- To provide insights into patent filing procedures and copyright registration
- To discuss the role of IPR in fostering innovation and economic growth
- To encourage faculty members to integrate IPR awareness into their research and teaching methodologies.

Program Details

Date- August 07-13, 2023

Mode- Hybrid

Resource Person- Vineet Surana & Tushar Srivastava

No. of Participants- 52

Workshop Agenda

Time	Details	Speaker
Day 1	Inaugural Session and Welcome address by IQAC Director	Dr. P S Shekhawat Director, IQAC
Day 2	Intellectual property, historical evolution of IPR laws and relevance for academicians.	Vineet Surana
Day 3	Criteria for patentability, the process of filing a patent, national and international patent offices and case studies	Tushar Srivastava
Day 4	Differences between copyrights, trademarks and patents; case studies; importance of protecting academic work	Vineet Surana
Day 5	Ethical considerations, plagiarism, open-access publishing and how universities can support IPR initiatives.	Tushar Srivastava
Day 6	Summarises the workshop with vote of thanks	Dr. P S Shekhawat Director, IQAC

Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights

- Engaging discussions on real-life case studies and legal implications of IPR.
- Interactive Q&A sessions addressing faculty concerns about IPR policies and implementation.
- Distribution of resource materials and guidance documents for future reference.

Key Takeaways

- Increased awareness among faculty about the need to protect intellectual property.
- Understanding of the step-by-step process of patent filing and copyright registration.
- Enhanced motivation to integrate IPR knowledge into academic and research activities.
- Need for institutional support in promotion of a culture of IP awareness.

Feedback from Participants

Positive Aspects:

- "Highly informative and well-structured sessions."
- "The case studies and real-world examples made the concepts easy to understand."
- "The interactive format encouraged engagement and participation."

Areas for Improvement:

- More hands-on workshops on drafting and filing patents.
- Follow-up sessions with practical exercises.
- Inclusion of more case studies related to academia and research

Recommendations

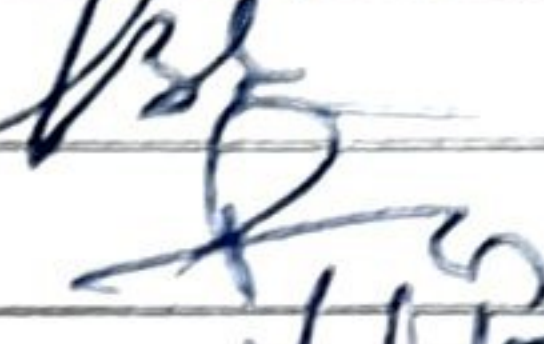

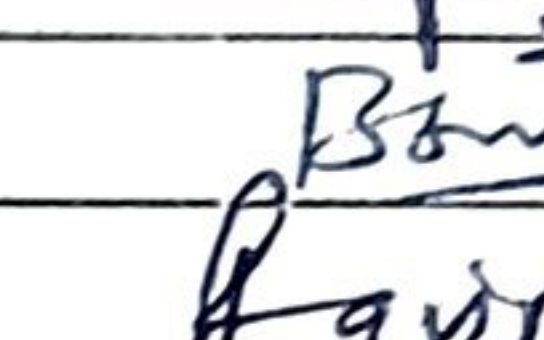

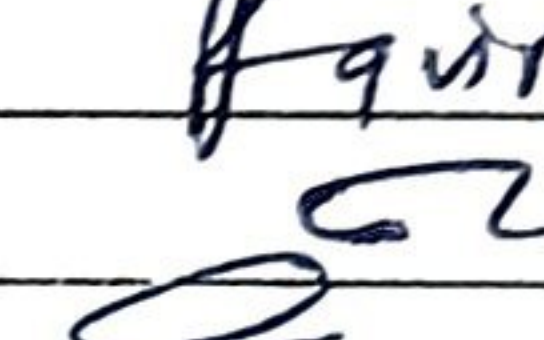

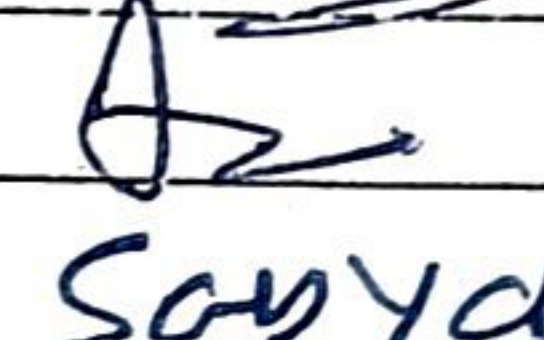

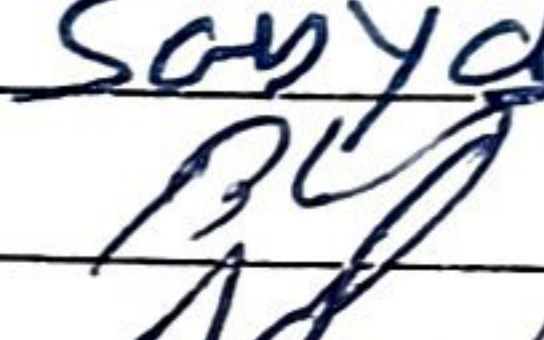

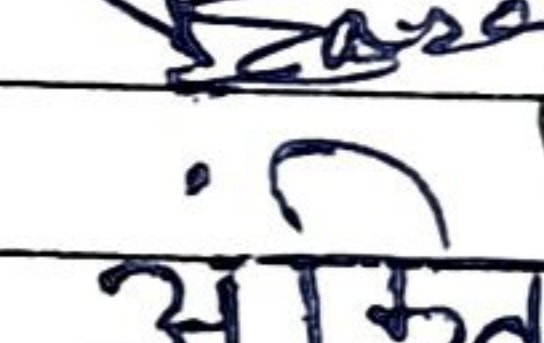

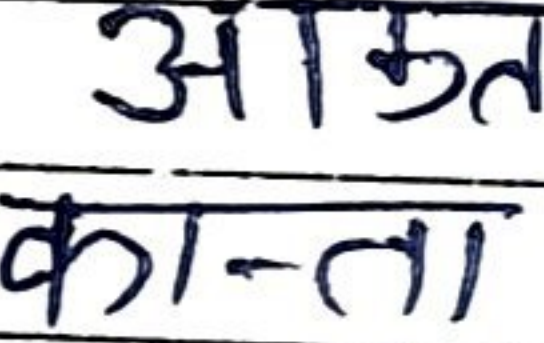

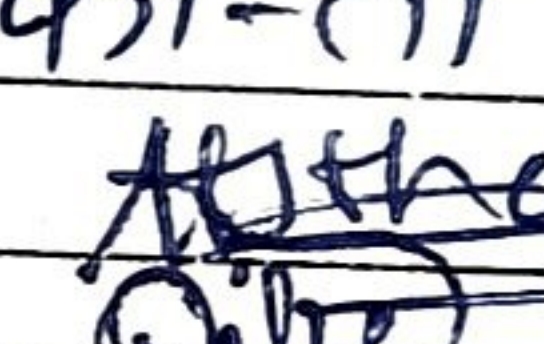

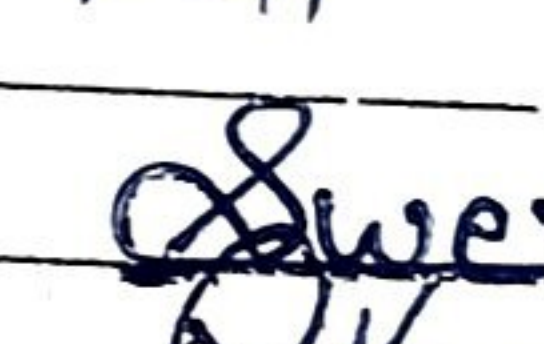

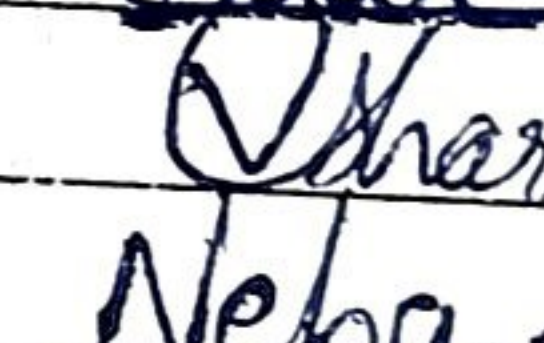

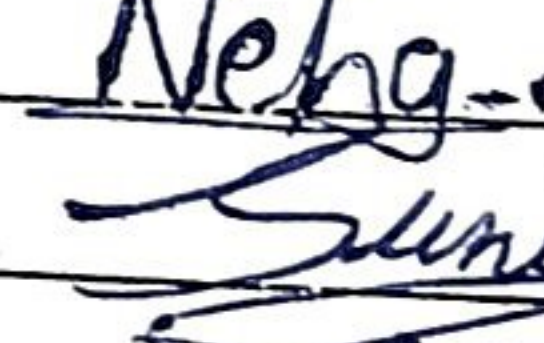

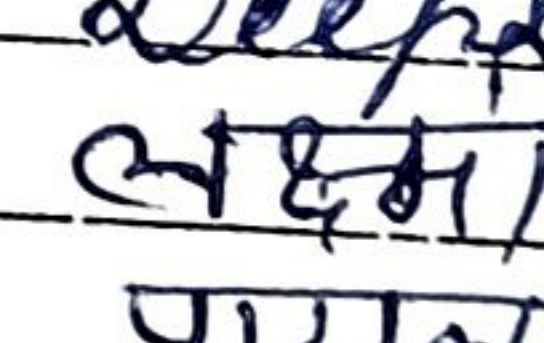

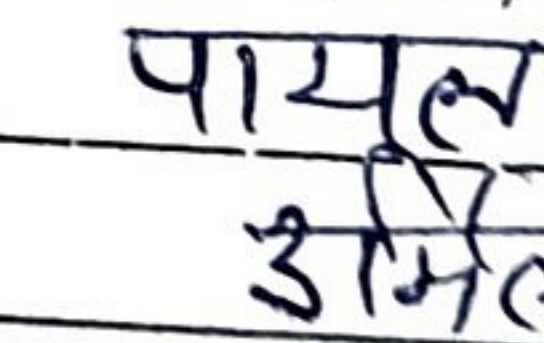

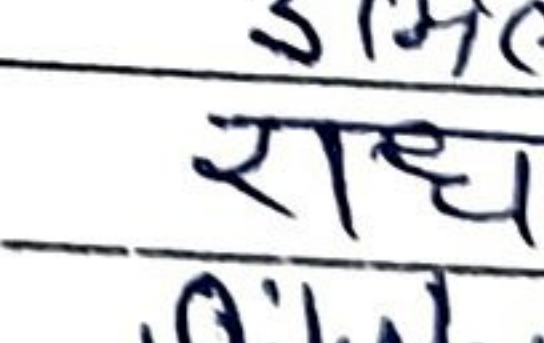

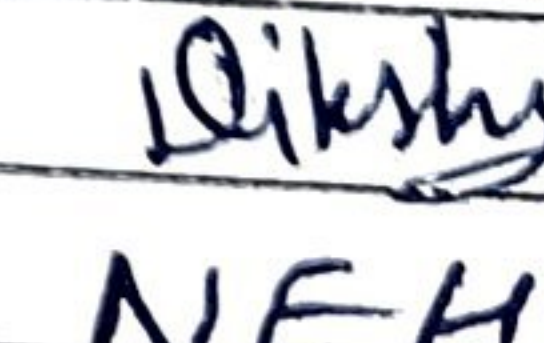

- Conduct more specialized workshops focusing on specific aspects of IPR such as patents, copyrights, and trademarks.
- Organize follow-up sessions on advanced topics such as patent drafting and technology transfer.
- Conduct hands-on workshops for faculty members interested in filing patents.
- Organize awareness sessions for students to encourage innovation and intellectual property creation.

"Research Methodology: Innovations and Opportunities"
Organised by:
Internal Quality Assurance Cell (IQAC)**

A one-week workshop on "Research Methodology: Innovations and Opportunities" was organized by IQAC, JVBI at Jain Vishva Bharati Institute (JVBI) for faculty members. The workshop aimed to enhance the understanding of innovative research methodologies and explore emerging opportunities in academic research. Eminent speakers and subject experts conducted insightful sessions, providing participants with valuable knowledge and practical applications.

Program Details

Date- October 14-21, 2023

Mode- Hybrid

Resource Person- Prof. Ashutosh Pradhan

No. of Participants- 46

Objectives

The primary objectives of the workshop were:

- To introduce faculty members to innovative research methodologies.
- To explore new opportunities in research and academia.
- To familiarize participants with data analysis techniques and research tools.
- To enhance the quality and impact of research output.
- To provide a platform for intellectual discussions and networking.

Session-Wise Details

The workshop consisted of multiple sessions delivered by distinguished speakers. The details are presented in the table below:

Time	Session-wise Detail	Speaker
Day 1	Welcome of the Guests & Overview of the Workshop	Dr. P S Shekhawat Director, IQAC
Day 2	Research Design and Innovation	Dr. Manas kumar Mishra
Day 3	Emerging Trends in Research	Prof. N Radhakrishnan
Day 4	Data Analysis and Interpretation	Dr. Mohan kumar karki
Day 5	Research Ethics and Publishing	Dr. Manas kumar Mishra
Day 6	Concluding Session & Discussion	Dr. P S Shekhawat Director, IQAC

Workshop Highlights

Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights

- Interactive and engaging sessions by experienced academicians and researchers.
- Demonstration of advanced research tools and techniques.
- Hands-on training in data analysis and interpretation.
- Insights on ethical research practices and scholarly publishing.
- Open discussions and Q&A sessions for addressing participants' queries.

Key Takeaways

- A deeper understanding of contemporary research methodologies.
- Exposure to innovative and emerging research opportunities.
- Practical knowledge of data analysis tools and their applications.
- Awareness of ethical considerations in research and publication norms.
- Strengthened research aptitude among faculty members.

Feedback from Participants

The participants appreciated the well-structured sessions and the expertise of the speakers. They found the hands-on training and discussions particularly beneficial. Many expressed interest in having more workshops on advanced research tools and interdisciplinary research opportunities.

Recommendations

- Organizing follow-up workshops for in-depth training on specific research tools.
- Encouraging collaborative research projects among faculty members.
- Providing access to advanced research software and databases.
- Establishing a research forum for continuous knowledge exchange.

Number of Participants

The workshop was attended by faculty members and students from JVBI.

"Research Methodology"

Organised by:

Internal Quality Assurance Cell (IQAC)

A one-week workshop on **Research Methodology** was organized by Internal Quality Assurance Cell (IQAC) of Jain Vishva Bharati Institute to enhance faculties, researchers and students understanding of research design, data collection, statistical analysis, and scholarly writing. The workshop aimed to provide participants with insights into contemporary research practices, fostering a research-oriented environment within the institution.

Objectives of the Workshop

1. To familiarize faculty members with the fundamental concepts of research methodology
2. To develop critical analytical skills required for academic research
3. To impart knowledge on various research designs and data collection techniques
4. To introduce statistical tools and software for data analysis
5. To enhance research writing skills for high-quality academic publications
6. To address ethical considerations in research.

Program Details

Date- December 13-20, 2023

Mode- Hybrid

Resource Person- Prof. K N Vyas and Prof. A P Tripathi

No. of Participants- 47

Number of Participants

The workshop was attended by 47 participants from various departments of JVBI, actively participating in discussions and practical exercises.

Time	Topic	Speaker
Day 1	Introduction to Research Methodology	Dr. P S Shekhawat
Day 2	Qualitative and Quantitative Research Methods	Prof. Ashutosh Pradhan
Day 3	Data Collection and Analysis Techniques	Prof. K N Vyas
Day 4	Ethical Considerations in Research	Prof. Ashutosh Pradhan
Day 5	Effective Scholarly Writing and Publication	Prof. A. P. Tripathi

Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights

- The workshop featured a blend of theoretical insights and practical exercises to ensure effective learning.
- Hands-on training was provided for using SPSS and other data analysis tools.
- Experts from academia and research institutions shared their valuable knowledge.
- Case studies and real-life research examples were discussed to provide contextual understanding.
- Interactive Q&A sessions allowed participants to clarify doubts and seek personalized guidance.

Key Takeaways

- Enhanced knowledge of research methodologies and academic writing.
- Improved understanding of statistical tools and software applications.
- Awareness of ethical aspects and plagiarism issues in research.
- Practical experience in data collection and hypothesis testing.
- Strengthened ability to publish research in high-impact journals.

Feedback from Participants

The workshop received positive feedback from the participants, who appreciated the comprehensive coverage of topics, clarity in explanations, and the interactive nature of the sessions. Some participants suggested extending the workshop duration to include hands-on training sessions.

Recommendations

Based on participant feedback, the following recommendations were made:

1. Organize follow-up workshops with hands-on training sessions.
2. Provide resources and reading materials for further learning.
3. Encourage faculty members to engage in collaborative research projects.
4. Conduct periodic refresher sessions to keep faculty updated on new methodologies.
5. Provide access to **statistical software and research tools** for continued practice.

Conclusion:

The one-week workshop on "Research Methodology" was a successful initiative in equipping JVBI faculty members with essential research skills. The event fostered a culture of scholarly inquiry and provided valuable insights into best practices in academic research. Future workshops with practical training sessions will further strengthen research capabilities among faculty members.

Fostering Innovation and Entrepreneurship through Intellectual Property Rights (IPR)

Organized by:

Internal Quality Assurance Cell (IQAC)

The IQAC of Jain Vishva Bharati Institute organized a One-week Workshop on "Fostering Innovation and Entrepreneurship through Intellectual Property Rights (IPR)" during Feb 17-24, 2024. The workshop aimed to create awareness among faculty, researchers, and students about the significance of IPR in driving innovation and entrepreneurship, with a special focus on copyrights, trademarks, and industrial designs. The event was designed to empower participants with the knowledge and skills to protect their creative works, enhance research outcomes, and promote entrepreneurship through effective intellectual property management.

Objectives of the workshop:

1. Create awareness among faculty, researchers, and students about the significance of IPR in driving innovation and entrepreneurship.
2. Educate participants on the various types of IPR, including patents, copyrights, trademarks, and industrial designs.
3. Promote entrepreneurship and innovation among participants by highlighting the importance of IPR in the commercialization of research outcomes.

Program Details:

Date: Feb 17-23, 2024

Mode: Hybrid

Resource Person:

Number of participants: 50

Workshop Agenda:

Time	Details	Speaker
Day 1	Welcome Address by IQAC Director	Dr. P.S. Shekhawat, Director, IQAC
Day 2	Highlighted the importance of IPR and entrepreneurship	Dr. Tridib Santapa Kundu
Day 3	Introduction of Startups, Entrepreneurship and technology transfer	Dr. Rakesh singh
Day 5	IPR management study methods and strategies	Dr. Tridib Santapa Kundu
Day 6	Discussion and queries with the experts	Dr. Rakesh singh
Day 7	Vote of thanks and Certification	Dr. P.S. Shekhawat, Director, IQAC

Workshop Highlights:

**Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)**

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights:

1. Highlighting the importance of IPR in driving innovation and entrepreneurship.
2. Experts from various fields presented on topics such as "IPR and Entrepreneurship", "IPR and Startups", and "IPR and Technology Transfer", providing insights into the practical applications of IPR.
3. An interactive session was held, where participants had the opportunity to ask questions and engage in discussions with the experts.

Key Takeaways:

1. Providing a framework for protecting intellectual property.
2. Innovators and entrepreneurs need to be aware of IPR laws and regulations to protect their intellectual property and avoid infringement.
3. Effective IPR management is essential for startups and small businesses to succeed, as it enables them to protect their intellectual property and leverage it for growth.

Feedback from Participants:

- The workshop was very informative and provided valuable insights into IPR management.
- Presentations were very helpful in understanding real-world applications of IPR.
- Every session was excellent, and appreciated the opportunity to ask questions and engage with the experts.

Recommendations:

1. Conduct regular workshops and training programs on IPR for innovators and entrepreneurs to promote awareness and understanding of IPR.
2. Develop specialized courses and programs on IPR and entrepreneurship to provide innovators and entrepreneurs with the knowledge and skills they need to effectively manage IPR.
3. Establish a network of IPR experts and professionals to provide guidance and support to innovators and entrepreneurs.

Intellectual Property Rights (Including Patents and Patent Filing Procedures)

Organized by:

Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of Jain Vishva Bharati Institute organized a One-week Workshop on Intellectual Property Rights (IPR) during April 11-17, 2024. The workshop aimed to create awareness among faculty, researchers, and students about the significance of IPR, with a special focus on patents and the procedural requirements for filing them.

The event was designed to empower participants with the knowledge and skills to safeguard their innovations and enhance research outcomes through intellectual property management.

Objectives of the Workshop:

1. To introduce the fundamentals of Intellectual Property Rights (IPR) and their relevance in academia and industry.
2. To familiarize participants with the patent filing process, from idea conception to securing rights.
3. To provide practical guidance on drafting patent applications and avoiding common mistakes.
4. To encourage faculty and students to protect their innovations and contribute to institutional research output.

Program Details:

Date: April 11-17, 2024

Mode: Hybrid

Resource Person: CS Anita Aswal & Advocate. Sandhya Tyagi

No. of Participants: 48

Workshop Agenda:

**Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)**

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights:

1. Basics of Intellectual Property Rights:

The resource person introduced participants to various types of IPR, including patents, trademarks, copyrights, and industrial designs. The importance of protecting intellectual property in academia and industry was emphasized, highlighting its role in fostering innovation and economic growth.

2. Patent Basics and Filing Procedures:

This session covered:

- The definition and types of patents (e.g., product and process patents).
- Criteria for patent eligibility: novelty, non-obviousness, and industrial applicability.
- Overview of patent laws in India and their alignment with international frameworks like TRIPS.

3. Practical Aspects of Patent Filing:

Participants received hands-on training on drafting a patent application, including:

- Writing the abstract, claims, and technical specifications.
- Preparing diagrams and illustrations to support the application.
- Filing procedures through the Indian Patent Office and online platforms.

The resource person also shared common pitfalls and how to avoid them during the filing process.

4. Interactive Q&A Session:

Participants actively engaged in the Q&A session, discussing topics such as managing collaborative research, patent infringement, and international patent filing procedures.

Key Takeaways:

1. A clear understanding of the fundamentals of IPR and its relevance to protecting innovations.
2. Practical insights into drafting patent applications and navigating the filing process.
3. Awareness of the benefits of securing intellectual property rights for personal, institutional, and societal growth.
4. Strategies for fostering a culture of innovation and IP protection within the institution.

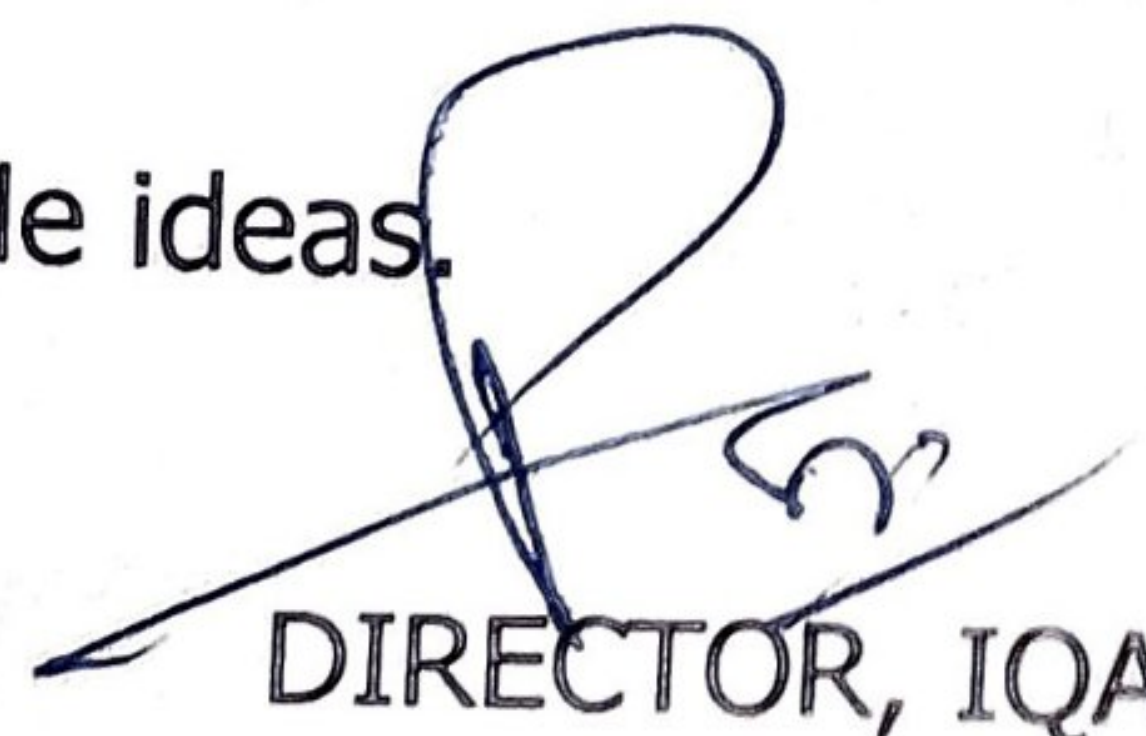

Feedback from Participants:

Positive Feedback: Participants appreciated the detailed explanation of the patent filing process and the practical tips shared during the hands-on session.

Suggestions: Requests were made for follow-up workshops focusing on trademark registration and international patent filing.

Recommendations:

1. Establish an IPR Cell within the institution to assist faculty and students with patent filing and intellectual property management.
2. Conduct regular workshops and awareness programs on other aspects of IPR, such as trademarks and copyrights.
3. Encourage interdisciplinary collaboration to generate innovative, patentable ideas.

Report on One-week workshop
on
Global Patent Trends and Applications
Organized by:
Internal Quality Assurance Cell (IQAC)

The Internal Quality Assurance Cell (IQAC) of Jain Vishva Bharati Institute organized a One-week Workshop on Global Patent Trends and Applications May 18-24, 2024. The workshop aimed to create awareness among faculty, researchers, and students about the latest developments and opportunities in global patent filings, with a special focus on emerging technologies and innovations. The event was designed to empower participants with the knowledge and skills to navigate the complexities of global patent applications, protect their intellectual property, and enhance research outcomes through effective patent management.

Objectives of the workshop:

1. To provide a comprehensive platform for stakeholders to discuss and understand global patent trends and applications.
2. To focus on emerging technologies and innovations.
3. To facilitate knowledge sharing, collaboration, and networking among participants.
4. To identify best practices and challenges in global patent applications.

Program Details:

- **Date:** May 18-24, 2024
- **Mode:** Hybrid
- **Resource Person:**
- **Number of Participants:** 53

Workshop Agenda:

Time	Details	Speaker
Day 1	Welcome Speech by IQAC Director	Dr. P.S. Shekhawat, Director, IQAC
Day 2	Awareness about global patent filings and emerging technologies	Dr. Manas kumar Miashra
Day 3	Shared insights on patent applications, searching, and analysis	Vineet Surana
Day 4	Navigation on global patent complexities and protecting intellectual property	Vineet Surana
Day 5	R regular training programs and developing a comprehensive guide on global patent trends.	Dr. Manas kumar Miashra
Day 6	Expression of Gratitude	Dr. P.S. Shekhawat, Director, IQAC

Internal Quality Assurance Cell
Jain Vishva Bharati Institute (Deemed University)

Ladnun-341306, Dist. Nagaur, Rajasthan

Workshop Highlights:

1. The speaker highlighted the latest trends and developments in global patent filings, with a focus on emerging technologies such as artificial intelligence, blockchain, and the Internet of Things.
2. The speaker provided an in-depth analysis of the patent landscape in these emerging technologies, highlighting the opportunities and challenges for innovators and inventors.
3. The experts from various organizations and institutions, who shared their experiences and insights on navigating the complexities of global patent applications.
4. The workshop concluded with an interactive session on "Best Practices in Patent Searching and Analysis". The session provided participants with practical tips and best practices for conducting patent searches and analyzing patent data.

Key Takeaways:

1. The workshop highlighted the growing trend of global patent filings, with a focus on emerging technologies.
2. The speakers emphasized the need for specialized knowledge and expertise in patent applications for emerging technologies.
3. The panel discussion highlighted the challenges faced by innovators and inventors in navigating the complexities of global patent applications.
4. The interactive session provided participants with practical tips and best practices for conducting patent searches and analysing patent data.

Feedback from Participants:

- The workshop was very informative and provided valuable insights into global patent trends and applications.
- The session was very engaging and provided a platform for stakeholders to share their experiences and challenges.
- The interactive session on patent searching and analysis was very helpful and provided practical tips and best practices.

Recommendations:

1. To conduct regular workshops and training programs
2. The workshop recommended providing resources and support for stakeholders to develop specialized knowledge and expertise in patent applications.
3. The workshop recommended establishing a network of stakeholders to share best practices and experiences in global patent applications.
4. The workshop recommended developing a comprehensive guide to global patent trends and applications, including emerging technologies and innovations.
