विषय – मूकसा: चुनौतियों और अवसर पर राष्ट्रीय वेबिनार

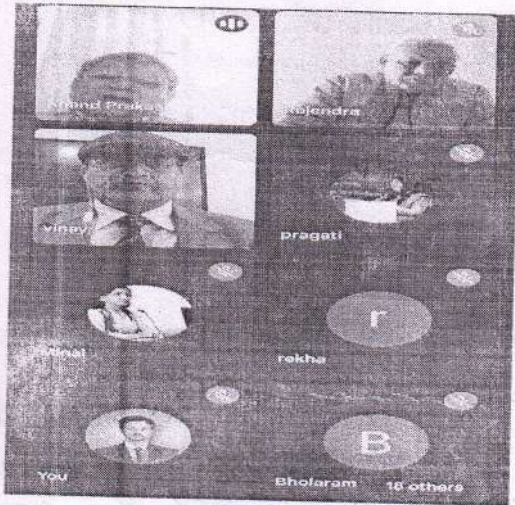

दिनांक 10 फरवरी 2024

समय प्रातः 11 बजे

मुख्य वक्ता : डा. विनय कुमार जैन

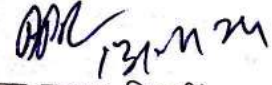

जैन विश्वभारती संस्थान के सेंटर फोर डिस्टेंस एंड ऑनलाईन एजुकेशन (सीडीओई) के तत्वावधान में 'मूकसा: चुनौतियां और अवसर (दूरस्थ शिक्षा के परिप्रेक्ष्य में)' विषय पर एक दिवसीय राष्ट्रीय वेबिनार का आयोजन शनिवार को किया गया।

कुलपति प्रो. बच्छराज दूगड़ के संरक्षण में आयोजित इस राष्ट्रीय वेबिनार की अध्यक्षता सीडीओई के निदेशक प्रो. आनन्द प्रकाश त्रिपाठी ने की। वेबिनार के मुख्य वक्ता व विषय विशेषज्ञ ग्राफिक इरा यूनिवर्सिटी (जीईयू) देहरादून के एसोसिएट प्रोफेसर डा. विनय कुमार जैन ने नियमित अध्ययन एवं ऑनलाईन व दूरस्थ शिक्षा के भेद बताते हुए कहा कि सूचना प्रौद्योगिकी का लाभ उठाते हुए शिक्षा प्रणाली में बदलाव लाया गया है। उच्च शिक्षा के लिए सूचना प्रौद्योगिकी के उपयोग से शिक्षण के साथ सीखने की प्रक्रियाएं सुदृढ़ बनी हैं, इनसे वैश्विक ऑनलाइन शिक्षण में सीखने की गुणवत्ता में सुधार हुआ है। मूकसा माध्यम से ऑनलाईन शिक्षा व्यवस्था से शिक्षण में सुधार आने के साथ ही छात्र सहभागिता बढ़ पाई है। डॉ. जैन ने दूरस्थ एवं ऑनलाईन शिक्षा की चुनौतियों के बारे में बताते हुए कहा कि दूरस्थ शिक्षा को एक चुनौती के रूप में लेना चाहिए। दूरस्थ शिक्षा प्रबंधन को छात्रों से ट्यूशन या शिक्षण शुल्क के अलावा अन्य विभिन्न शुल्क आदि लेने से वंचित करती है और विभिन्न पाठ्येतर गतिविधियों पर सरकारी शिक्षा अनुदान का भी नुकसान होता है। इसमें अध्यापक और विद्यार्थी के बीच सम्मुखता, सम्पर्क और व्यक्तिगत प्रभाव का लाभदायक व्यवहार समाप्त हो जाता है। इससे व्यक्तिगत मार्गदर्शन का अभाव होता है और विपरीत मनोवैज्ञानिक प्रभाव भी सामने आए हैं। ऑनलाईन शिक्षा में इंटरनेट की बाधाएं भी समस्या खड़ी करती हैं। इसके बावजूद यह दूरस्थ शिक्षा व्यवस्था मूक लोकप्रिय भी हुई है। वर्तमान में इस व्यवस्था में 50 हजार से अधिक समुदाय सक्रिय रूप से जुड़े हुए हैं। इसमें फायदा यह है कि विश्व कहीं भी बैठ कर पढाई की जा सकती है। इसमें समूह चर्चा व सामुहिक विचार भी संभव है और समयबद्ध कार्यक्रम के साथ 24 घंटों में कभी भी कहीं भी अध्ययन की सुविधा मिलती है और अपनी स्वयं की ग्रेडिंग की व्यवस्था भी इसमें उपलब्ध है। यह सीखने वालों की आवश्यकताओं के अनुरूप है और इसमें लचीलापन उपलब्ध होने से विद्यार्थियों के लिए लाभदायक है। इसके साथ ही उन्होंने नई पीढ़ी के लिए इस क्षेत्र में मौजूद अवसरों की जानकारी भी प्रदान की।

वेबिनार की अध्यक्षता करते हुए प्रो. त्रिपाठी ने वेबिनार में रखे गए विषय पर प्रस्तुत चिंतन की सराहना की और कहा कि इससे दूरस्थ व ऑनलाईन शिक्षा में सुधार की संभवनाएं बनेंगी।

वेबिनार के अन्त में सीडीओई के सहायक कुलसचिव पंकज भटनागर ने धन्यवाद ज्ञापित किया। इस वेबिनार में 50 से अधिक सदस्यों की सहभागिता रही। वेबिनार के संयोजन सुश्री प्रगति चौरडिया ने किया।

One day workshop
Report

A one day workshop was organized on 5 January 2024 by CDOE for develop the self learning Material of MA in Sanskrit.

In this workshop, Prof Anand Prakash Tripathi throws the light on step by step procedure of developing the SLM viz Components of SLM, Structure of SLM, Content presentation, Content analysis and many more objects of it.

The development of self-learning material involves creating comprehensive content, interactive exercise, and assessments to facilitate independent learning. It's crucial to focus on clear explanations, engaging visuals, and user-friendly interfaces for a seamless learning experience. Regular updates and feedback mechanisms enhance the effectiveness of self-learning materials, ensuring they stay relevant and impactful.

The faculty members of the program get benefitted by the fruitful session.

The introduction of the workshop is given by Ms Pragati Choraria.

Vote of thanks is presented by Dr J.P Singh.

A question answer session was organized. Participants were very much satisfied.

The list of the participants are as follows-

1. Prof. Damodar Shastri
2. Prof. Jinendra Jain
3. Samni Sangeet Prajna
4. Dr. Sunita Indoria
5. Dr Satyanarayan Bhardwaj
6. Dr Ramdev Sahu
7. Dr Sabyasachi Sarangi

Faculty Training Programme
On
Curriculum Design & Development with respect to
New Education Policy-2020
Jain Vishva Bharati Institute, Ladnun

Venue-Academic Hall

Date-25/9/2023

One day seminar on the topic of "New Education Policy-2020" was conducted on 25/9/2023 by Centre for Distance & Online Education. The Policy aimed at revamping and revision of the structure of education system and look into the rules and regulations of policy. It should be modified according to the need of current circumstances.

Professor "**Ashutosh Pradhan**" (the professor & HoD Social work in central university, Himachal Pradesh, Dharamshala) was the chief speaker of seminar and focused on the different aspects of New Education Policy. They shared their thought deeply on school education to higher education & Technical education as well.

The discussed points would be as follows:

1. Establishment of ABC ID
2. Remove the separation between Arts, Science and commerce.
3. Internationalization of Education.
4. Setting up of National Research Foundation (NRF)
5. "Light but tight" regulation.
6. Ensuring 100% of Youth and adult literacy.
7. All education institutions will be held to similar standards of audit and disclosure as a 'not for profit' entity.

NEP, 2020 aim to increase the GER to 100% in preschool to secondary level by 2030 whereas GER in Higher Education including vocational education from 26.3% (2018) to 50% by 2035.

Faculty Members of the Institution get benefitted by this seminar.

Welcome speech given by Prof A P Tripathi and vote of thanks presented by Ms Pragati Choraria.

Workshop on Review SLM of MA Jainology and a comparative
Religion & philosophy

A one day workshop was organized on 12 August 2023 on review the SLM of MA Jainology and a comparative religion & philosophy. Prof Vijay Kumar Jain and Dr. Raka Jain were resource person of the workshop. This was organized in two sessions.

In first session at the outset of seminar Prof A.P.Tripathi welcomed to Prof Vijay Kumar Jain and Dr Raka Jain and explained the aim & objectives of the workshop. He said that Jainology is our core subject because this is Jain University. It is our duty to survive and strengthen the subject. MA Jainology and a comparative religion & philosophy. programme was started in 1997 through Distance mode.

In Distance mode the study material in SLM form has key role of this mode, so time to time it should be reviewed. We are very thankful to Prof V.K. Jain & Dr Raka Jain. They are learned person of this field. In their direction we will fulfill our objectives.

Prof Jain expressed their gratitude to the workshop coordinator Prof Tripathi and focused their ideas on the topic. They suggested some points about review the SLM. He also expressed his thought about the exercises which were given in every lesson. Dr Raka Jain helped to present the review

proposals one by one. All the participants were satisfied in the workshop.

Program was convened by Pragati Choraria. Dr J.P. Singh presented thanks to all the participants and resource person.

Seminar Topic – Review of SLM
7th August 2023

Venue: seminar Hall

Introduction of the seminar-

One day seminar was organized on 7th August 2023 discuss and to review the SLM in present context with the great and wide experienced professors. Self learning and self study is not a new concept. It is widely discussed and written by the great Scholars of the world. Self Learning is also known as Independent learning, off-the campus learning, home learning and correspondence learning. The aim of designed the self learning material is to provide education to the learners who are unable to join the regular mode of study hence, these type of institution is also called open distance learning (ODL)

Prof. A.K. Malik, the chief guest of seminar throws his ideas in the seminar. Self learning is an emotion which is easy to adopt and rare to find. It is the most useful mode of the study which continues without wastage of time and profession. Every segment of learner should benefitted by the Distance learning. Universities provide education to the wide targeted group of the learners and provision designed according to the each special learner i.e. Job Person, special able child, house wife, or anyone who engage in their personnel lifestyle.

Chief speaker of the seminar **Prof K.N.Vyas** focused on the quantity and the quality of study material. According to him, the material should be written as well as in pictorial form which provides 'clues or hints'. Defining the objective of instructions should be clearly mentioned so that learner took the feedback after the accomplishment of the study. This feedback system can help to improve the quality of the material. Questions Bank also given necessarily so that evaluation of oneself is done hand by hand.

Remedial Key points of the Seminar –

1. The material should be written in very easy language avoid jargons and Technical words.
2. The material should be self explained.
3. Time to time updating of the material is mandatory.
4. Material should be designed in such a way which raises the interest of study in the learner mind.
5. The teaching structure is very efficient and effective.
6. Material is written for the special segment of the audience i.e. distance student, self learner segment.

20 participants were benefitted in the seminar enthusiastically.

Welcome speech was given by Prof A P Tripathi, Vote of thanks presented by Shri Pankaj Bhatnagar.
