	Title of the Ph. D.	ईक्कीसवीं शताब्दी में दक्षेस : भारत की भूमिका का एक विश्लेषणात्मक अध्ययन			

	Salient features of Ph.D. (in 100 words)	Ph.D. topic basically related to south Asian regional organization SAARC and what is role of India in progression of SAARC. India resembles the most powerful position in South Region but the Indo-Pak relations make interference and disturbs the South Asian Region. Pakistan always tried to highlight Indo-Pak disputes in SAARC Submits. The thesis also defines India's role in SAARC, India's role in peace-keeping and help towards other neighbouring countries; that resembles India, a leader among South Asian Countries. This thesis examines the major problems and disputes among SAARC and the solutions to these problems and disputes.
