**REPORT OF THE WORKSHOP ORGANIZED BY CIQA**

**Subject: Workshop on Quality Assurance in Distance Education**

The "Center for Internal Quality Assurance (CIQA)" organised a one-day Workshop on **18th October 2018** (Thursday) at 3.00 P.M. to appraise and inform all stakeholders associated with the Distance Education Programmes offered by the Directorate of Distance Education (DDE), JVBI about the functioning of CIQA and the objectives that it has to achieve to ensure quality in the various functions of the DDE.

Members representing various stake holders like educators, authors/editors involved in the development of Self-Learning Materials, learners, administrators, and key functionaries etc. attended the said workshop and actively participated in the deliberations.

Dr. Asutosh Pradhan from Central University of Himachal Pradesh, Dharamshala who was invited as a Resource Person for the workshop elaborated at length the functioning of CIQA and its goals & objectives. The "Center for Internal Quality Assurance (CIQA)" under the Directorate of Distance Education (DDE), JVBI was established as per the mandate of the UGC and to assure the fulfilment of various quality parameters set by various regulatory authorities and as also decided by the CIQA from time to time.

The key function of CIQA was to highlight and develop key quality indicators, establish a robust monitoring mechanism and ensure that all deficiencies in fulfilment of quality indicators are met in a timely manner.

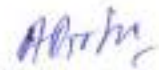

Some of the key points discussed are as under:

1. Procedure for launch of new programme & courses as per the needs and objects of the Institute and the learners;
2. Need of fulfilment of the mandatory requirements for recognition / approval from various statutory authorities for launch of various programmes and compliance of UGC & other statutory norms;
3. Compliance of norms and guidelines as prescribed by the Regulatory Authorities;
4. Preparation for seeking assessment and accreditation from statutory bodies like NAAC and others;
5. System of self-appraisal processes for continual improvement in the functioning of various units of the DDE and the processes thereof;
6. Development of Programme Project Report (PPR) for each programme offered by DDE;
7. Monitoring mechanism to ensure the proper implementation of Programme Project Reports;
8. Scientific development of Study Learning Material (SLM), integration of Information and Communication Technology (ICT);
9. Proper functioning of the Learner Support Centre (LSC);

10. Preparation of Annual Plans for quality enhancement in all the operations and activities of the DDE and ensure their implementation;
11. Maintenance of proper record of quality improvements made in DDE;
12. Maintenance of centralized databases of all the learners enrolled in each distance education programme w.r.t. enrollment, date of admission, subject & courses opted, submission of assignments, marks - internal & external, date of examinations, data related to reappearance in case of failure in a particular course, date of passing, etc.
13. To develop robust systems & mechanisms for teacher-learner interactions; feedback from various stakeholders like students, parents, teachers, course instructors, administrative staff, governing body members & planning board of JVBI to inputs for quality improvement;
14. Identification of quality indicators & necessary benchmarks for the various academic and administrative activities of the DDE;
15. To explore and enter into Memorandum of Understanding with like-minded academic, research and IT-based institutions for upgradation of the functioning of the DDE;
16. Conduct of workshops and training programmes of content developers, teachers, instructors and administrative staff for making improvements in the existing Self-Learning Materials (SLM), IT infrastructure, database management systems and service delivery mechanisms of the DDE for improving learners experiences, quality enhancement and quality assurance;
17. Develop and implement innovative practices in major areas leading to quality enhancement in services to the learners;
18. Functioning of the Learner Support Centres, Learner Support Services & Counselling Services;
19. Collaboration with like-minded Institutions offering distance education programmes for understanding best practices and improving upon quality benchmarks/parameters of CIQA at DDE-JVBI and to document disseminate about our own best practices.

All the members present in the workshop took active interest in the proceedings. Some of the suggestions made by the participants were recorded by the Director, DDE.
