Sub : IGBPS connection to Universities under NME-ICT Project

Dear Sir/Madam,

With reference to your letter no. BB/04-178/NME/2010-11/83 Dt.: 01-09-2010, this is to state that ours is a small Deemed to be University running only non-conventional courses in the field of oriental learning, comparative religion and philosophy. We don't have any professional/technical courses in our university. As such we are charging only token fee from the students studying in the UG & PG programmes of above mentioned subjects. Major source of income is donation received from various sections of society. In these circumstances, it is very difficult for us to bear the cost of Rs. 50,00,000/- at one time to get Internet connection through NKN/NME-ICT project.

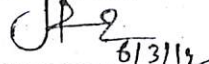

In the light of these facts if you could kindly provide us the relaxation for making the payment on installment basis as per details given below. We wish to get this connectivity at earliest. The details of the schedule of payment are as follows:

1	Initial Installment, March,12	2,50,000.00	11	10 th Installment, March,17	2,50,000.00
2	1 st Installment, Sept.,12	2,50,000.00	12	11 th Installment, Sept.,17	2,50,000.00
3	2 nd Installment, March,13	2,50,000.00	13	12 th Installment, March,18	2,50,000.00
4	3 rd Installment, Sept.,13	2,50,000.00	14	13 th Installment, Sept.,18	2,50,000.00
5	4 th Installment, March,14	2,50,000.00	15	✓ 14 th Installment, March,19	2,50,000.00
6	5 th Installment, Sept.,14	2,50,000.00	16	✓ 15 th Installment, Sept.,19	2,50,000.00
7	6 th Installment, March,15	2,50,000.00	17	16 th Installment, March,20	2,50,000.00
8	7 th Installment, Sept.,15	2,50,000.00	18	✓ 17 th Installment, Sept.,20	2,50,000.00
9	8 th Installment, March,16	2,50,000.00	19	18 th Installment, March,21	2,50,000.00
10	9 th Installment, Sept.,16	2,50,000.00	20	Final Installment, Sept.,2021	2,50,000.00

Hoping to get your favorable cooperation.

With warm regards,

Yours Faithfully,

(Prof. J.P.N. Mishra)

Recd. No. 40
Date 17/9/2010

Sub:- **1Gbps connectivity to universities under NMEICT Project**

Dear Sir/Madam,

It is my pleasure to intimate you that your university is chosen for participation in the implementation of nationwide NMEICT project which is intended for e-content generation, teacher empowerment and adopting e-learning as an effective means of teaching-learning activities. It is obvious that emphasis on ICT is a crying need as it acts as a multiplier for capacity building efforts of educational institutions without compromising the quality. It is a momentous opportunity for all the teachers and experts in the country to pool their collective wisdom for the benefit of every Indian learner and, thereby, reducing the digital divide.

National Mission for Education through Information & Communication Technology (NMEICT) is a Ministry of HRD project to connect 20,000 plus colleges on VPNoBB with 512 Kbps Bandwidth with access to internet and 460 universities in the country shall have 1 GB connectivity to the NKN cloud. NKN (National Knowledge Network) is super high speed & reliable communication backbone in the country for use by various institutions / organizations involved in knowledge creation and dissemination.

Salient Features:

1. All 460 universities will be given 1Gbps link to nearest NKN node on OFC.
2. LAN setup of 400 nodes in all these universities.
3. All UGC approved colleges (degree level & above) would be provided VPNoBB (Virtual Private Network over Broadband) connections @ 512 Kbps each.
4. 10 Gbps of International Bandwidth for internet is to be provided to the Project.

Benefits of NMEICT Project:

1. 10 no.s of VPNoBB connections are to be provided in the 1st year. However if any college is requesting for all the 20 connections is the 1st year itself, same can be provided.
2. No separate internet usage charges for NME accounts since the total bandwidth charges are collected from MHRD.
3. Cost advantages:
 - a. The 1Gbps connectivity to universities is on a 75:25 cost sharing basis between the Central Govt. (MHRD) and the universities concerned.

BHARAT SANCHAR NIGAM LIMITED
(A Govt. of India Enterprise)

- b. For a transmission link upto 150 km, one time charge of Rs. 2 Cr/University is to be collected for 10 years. 10% charges (Rs. 20 Lakhs) on this amount are to be borne by BSNL being partner in this project and for of the balance amount; MHRD will bear 75% cost (Rs. 1.35 Cr) & the university would bear 25% cost i.e. Rs. 45 Lakhs (excluding S. Tax).

Out of 460 universities across the country, 1GB bandwidth is to be provided to 35 universities in Rajasthan. All feasible universities are to be provisioned with the connectivity latest by Sept. 2010.

Your Institution is required to pay only Rs. 45 Lakhs + ST for provisioning of 1GB Bandwidth for 10 years period. Rest of the cost will be shared by BSNL & MHRD. It is requested that the amount may please be deposited at the earliest so that network can be build up. BSNL officers of your area have already been instructed for necessary coordination for provisioning of connectivity to the universities/institutes.

Should you have any queries or require any clarifications on the proposal, please do contact us on bbcelljp@gmail.com. We look forward to build a super high speed national knowledge network within targeted time as envisaged by Govt. of India.
