National Workshop on

"Translation of Sanskrit and Prakrit Text"

Sep - 25 to Oct 05, 2015

A ten-day national workshop was organized jointly by the Department of Jainology and Comparative Religion and Philosophy and Prakrit Sanskrit Department. The aim of the workshop was to get solutions to problems encountered in translating and editing Sanskrit and Prakrit texts. Well-known Sanskrit, grammar and philosophy scholar Prof. Damodar Shastri gave training in how to translate and edit Prakrit and Sanskrit texts and benefited the participants through various exercises.

Students, research scholars and faculty members of both the departments of the institute as well as Mumukshu sisters studying in the university had participated in it. A total of 75 participants learned translation and editing art in the workshop.

This twelve-day workshop mainly considered the problems faced in translating and editing the Aagams, Niryukti, churni, commentary and commentary texts. The difference in the editing of Sanskrit literature and texts of Sanskrit and Prakrit language composed by Jain sages was also clarified. Training of both the disciplines was imparted through this workshop.

Description:

Teachers in Higher Education Institutions usually join the teaching profession without any formal training in teaching methodology and learning psychology. Incidentally they develop teaching skills out of their own experiences or from experiences shared by colleagues in course of their teaching career. Most often, they are also influenced by the ways in which their teachers taught them. Pedagogy in higher education has undergone revolutionary changes in the past few decades. Traditional methods of lecturing have become obsolete in today's scenario where Outcomes Based Education and Student Centered Teaching has become order of the day. Further, emergence of a plethora of ICT tools and their usage in Teaching-Learning Process has been redefining the role of a teacher from a mere provider of information to a facilitator of learning. One day orientation program on Pedagogy has been conducted. The topics covered are

- Class handling
- Teaching/Learning Tools
- Research Methodologies
- Outcome Based Education
- Visualizing Scientific content
- Flipped Learning
- Digital Initiatives in Higher Education
- Working with Moodle – google class room
- Creating Learner centric environment

Sub: Organising workshop on Prakrit language learning during the month of December-2015

Sir,

In response to your letter dated 26.09.15, we are pleased to inform you that about 25-30 students are interested to participate in the workshop. Our university will support the infrastructural facilities and registration and all logistic arrangements will be made . So you are therefore requested to send the resource person who must be knowing both Prakrit and Odiya preferably Dr. Samani Sangit Prajna, after she reaches here we shall plan the date and venue. The workshop might take 10-15 days duration and we are planning the short term course also. We do not have resource persons and there is also shortage of funds for Prakrit language learning. If any financial assistance be provided by some funding agency we can organize the workshop smoothly and plan for the future. It is to noted here that Odiya languge is originated from Prakrit language so people are interested to know it in detail.

I hope some positive steps may kindly be taken at your end to send Samani Sangit Pranja at the earliest so that your noble venture to spread the ancient language will go a long way.

Yours faithfully

(Dr. Suchitra Das)

Name of the Faculty/ Admin Training Program: Behavioral Skills for Holistic Development

Date : July 28, 2016	**Resource Person :**
Number of Faculty Participants:40	**Number of Admin staff Participants: 0**

Description: Modern living driven by more materialistic pursuits. Modern education enables one to develop only domain specific knowledge and skills. But there is little cognizance of aspects like motives, values and attitudes need to be addressed. Faculty members and students are not equipped with the behavioral skills to understand and mange self and others, maintain a state of well being, take responsibilities in upholding moral and ethical values. Even such learning, if present remains in the cognitive level but does not get transformed into ones behavior. It is on this background that this program has been offered to all faculty members. The objectives of the FDP is to

- Highlight the ancient Indian wisdom and Indian ethos for modern life.
- Understand terms like values, belief, perception, innate abilities, ethics and morality.
- Follow a personal plan for developing and maintaining wellness.
- Manage self with emotional competency and ethical responsibility
- Mentor students effectively to make them responsible for their own learning and progress
- Set goals and constantly strive to achieve them

Name of the Faculty/ Admin Training Program: Faculty Development Program – Journey from Teacher to Guru

Date : August 25, 2016	**Resource Person :**
Number of Faculty Participants:25	**Number of Admin staff Participants: 0**

Description: The relationship between the teacher and the taught has been unique through the ages in Bharat. The teacher through his exemplary life and knowledge had always left an indelible impact on his disciples. The students, in turn, carried on the legacy and the wisdom of the guru and passed it on to the next generation. This wisdom was instrumental in safeguarding the personal and social values of the time. Ancient Indian lore is replete with such examples. Although the teacher continues to be the backbone in the current education system the perspective, role and responsibilities of the teacher has undergone a change. The primary responsibility of a teacher today appears to be merely ensuring the students' academic progress as a pathway to a lucrative career. Unfortunately, the fact that the responsibility of the teacher transcends the boundaries of a classroom has been pushed to the background. A teacher with vision, passion (for teaching), compassion towards students and above all, personal integrity and right conduct leaves a lasting impact on the young minds. It is such a role-model teacher who brings about inner transformation of students. Hence, in addition to being the cornerstone of the country's economic progress, the value-systems passed on by the teachers shape the socio-cultural fabric of the country. This program recognizes this missing link in contemporary teacher training framework and seeks to provide the much needed inputs to close this gap. The Objective of the FDP is

- To unleash the inner potential of teachers and enable holistic development
- To instill pride and passion towards their profession
- To encourage creation of innovative teaching pedagogies
- To empower teachers so that they become catalysts of change
- To facilitate the journey from Teacher to Guru

The FDP utilizes a blend of teaching pedagogies to make the entire experience inspirational, insightful and memorable. It includes Group Discussions, Activities and Games, AV Presentations, Counseling Sessions, Case Analysis, Experience Sharing

प्रकार के सेमिनारों का आयोजन नियमित रूप से हमारी संस्कृति के संरक्षण एवं संवर्द्धन में अपनी भूमिका स्थापित करता है।

सहभागियों की आवास व्यवस्था जैन विश्व भारती के भिक्षु निलयम् में तथा विशिष्ट अतिथियों की आवास व्यवस्था संस्थान के अतिथि ग्रह में की गई। भोजन व्यवस्था संस्थान के कैन्टीन में रही। संस्थान की तरफ से हमने सभी विद्वानों एवं प्रतिभागियों की सभी सुविधाओं का पूरा-पूरा ध्यान रखने का प्रयत्न किया है फिर भी कोई कमी रही हो तो मैं सभी से क्षमा प्रार्थी हूँ।

प्राकृत भाषा एवं साहित्य हमारी संस्कृति को संरक्षित एवं सवंर्धित करने वाला है। लेकिन आज हम इन प्राच्यविद्याओं एवं भाषाओं के प्रति उदासीनता दिखा रहे है। जिसकी वजह से हम हमारी संस्कृति से दूर होते जा रहे है तो ऐसे समय में इस प्रकार की संगोष्ठियों के आयोजन का महत्व और अधिक बढ़ जाता है।

राष्ट्रीय संस्कृत संस्थान के प्रति बहुत आभार, जो प्राकृत संस्कृत आदि प्राचीन भाषाओं के संरक्षण के प्रति उदार मन से अपना सहयोग देता रहता है। मैं हमारे संरक्षण के सभी अधिकारियों, कुलपति महोदय, कुलसचिव महोदय, सभी प्राध्यापकगण, नॉन टीचिंग स्टाफ विशेषकर शरद जैन, महावीर जी, कैंटीन मैनेजमेंट एवं मातृ संस्था के प्रति आभार ज्ञापित करता हूँ जिन्होंने सुन्दर व्यवस्थाएं उपलब्ध करवाकर इस संगोष्ठी की सफलता में अपना योगदान दिया।

अखिल भारतीय महिला मण्डल एवं जैन विश्व भारती संस्थान के प्राच्यविद्या एवं भाषा विभाग के संयुक्त तत्त्वावधान में प्रतिवर्ष की भांति इस वर्ष भी जैन विद्वान निर्माण योजना के अन्तर्गत 10 दिवसीय संस्कृत सघन शिक्षण प्रशिक्षण कार्यशाला का आयोजन जैन विश्व भारती संस्थान परिसर में किया गया। इस कार्यशाला के प्रमुख विद्वान के रूप में समणी संगीत प्रज्ञा ने संस्कृत वैयाकरण के संदर्भ में अध्यापन कार्य सम्पन्न किया।

वैयाकरण के अंतर्गत कालू कौमुदी ग्रंथ का पारायण करवाया गया। प्रतिदिन एक विषय को लेकर सैद्धान्तिक और प्रायोगिक कक्षाओं का संचालन हुआ। व्याकरण के विषयों में संज्ञा–संधि प्रकरण, समास एवं कारक प्रकरण तथा तद्धित एवं कृदन्त प्रकरण का अध्यापन कार्य करवाया गया साथ ही प्राकृत भाषा को लिखने एवं बोलने का अभ्यास करवाया गया। विभाग के अन्य विद्वानों में प्रो. दामोदर शास्त्री, डॉ. समणी भास्कर प्रज्ञा ने भी इस कार्यशाला में अपने उद्‌बोधन से प्रतिभागियों को लाभान्वित किया।

सरल शैली में समझाने की कला का विद्यार्थियों ने अच्छा लाभ उठाया। उनमें से कुछ विद्यार्थी अध्यापन सहयोगी की दिशा में भी तैयार हुए। टीका आदि पढ़ने का क्रम भी शुरू किया। इस कार्यशाला में लगभग 19 प्रतिभागियों ने सहभागिता की। इस प्रकार यह कार्यशाला बहुत उपयोगी रही।

Description:

Teachers in Higher Education Institutions usually join the teaching profession without any formal training in teaching methodology and learning psychology. Incidentally they develop teaching skills out of their own experiences or from experiences shared by colleagues in course of their teaching career. Most often, they are also influenced by the ways in which their teachers taught them. Pedagogy in higher education has undergone revolutionary changes in the past few decades. Traditional methods of lecturing have become obsolete in today's scenario where Outcomes Based Education and Student Centered Teaching has become order of the day. Further, emergence of a plethora of ICT tools and their usage in Teaching-Learning Process has been redefining the role of a teacher from a mere provider of information to a facilitator of learning. One day orientation program on Pedagogy has been conducted. The topics covered are

- Class handling
- Teaching/Learning Tools
- Research Methodologies
- Outcome Based Education
- Visualizing Scientific content

योग एवं व्यक्तित्व विकास कार्यक्रम

रिपोर्ट

(May 11-15, 2018)

जैन विश्व भारती संस्थान (मान्य विश्वविद्यालय) के कुलपति प्रो. बच्छराज दूगड़ ने कहा है कि योग से व्यक्ति स्वस्थ रहता है तथा उसकी कार्यशैली में परिवर्तन आता है। योगसनों और क्रियाओं का लाभ तभ्भी मिल पाता है, जब उन्हें नियमित रूप से लगातार किया जाता रहे। वे यहां लगाई जा रही योग कक्षा का अवलोकन कर रहे थे। उन्होंने सम्भागियों को सम्बोधित करते हुये नियमित रूप से प्राणायाम व योगासन करने की आवश्यकता बताई। उन्होंने बताया कि विश्वविद्यालय में समस्त स्टाफ के लिये अनिवार्य रूप से शुरू की गई योग कक्षा का लाभ सभी को प्राप्त करना चाहिये। योग एवं जीवन विज्ञान विभाग के विभागाध्यक्ष डा. प्रद्युम्न सिंह शेखावत ने योग कक्षा में सम्भागियों को विभिन्न यौगिक क्रियाओं, योगासनों एवं प्राणायम के प्रयोग करवाये। इस अवसर पर उन्होंने कहा कि अपने स्वास्थ्य को सुधारने एवं मोटापा घटा कर शरीहर को संतुलित बनाने के लिये भोजन का पूर्ण बनाना आवश्यक है। इसमें यथासंभव साबुत अन्न व फलों का प्रयोग करना चाहिये। फलों का जूस पीने के बजाये उन्हें खाने से शरीर को आवश्यक फाईबर और तत्व मिल पाते हैं। इसी प्रकार रिफाइंड तेल के बजाये देसी घी अधिक लाभदायक होता है। भोजन के साथ शरीरिक मेहन पर भी पूरा जोर देना चाहिये। जो व्यक्ति खाने–पीने पर पूरा ध्यान देता है और शरीरसे कैलोरी जलाने पर भी ध्यान देता है, वह स्वस्थ रहता है तथा लम्बी आयु को प्राप्त होता है।

Department of JCRP, JVBI & National Council Of Education, Jadavpur University jointly ventured to break new ground for "Faculty Development Programme", sponsored by Shri Jain Shwetambar Terapanthi Sabha, South Calcutta from 11-25 May, 2018.

The main objectives of this workshop are as follows:

1. To train some faculty in interdisciplinary subject.

3. To make new headway in direction of building some experts in field of Western Philosophy & Religion as well as in Jainology.

Various eminent scholars and professors from reputed universities and colleges of India who gave as encyclopedic knowledge and learning were as follows -

Prof. Indrani Sanyal at **Jadavpur University**, elaborately threw light on prolific thinker of the West Hospers & his analytic philosophy. She also encouraged our subtle thinking on Western logic and comprehensiveness of arguments.

Prof. Gopal Khan from **University of Burdwan** & also a student of Plato's Academy in Greece. The spirit with which he started narrating life & philosophy of Socrates, Plato &Aristotle compelled us to think like a philosopher. The notions of freedom immortality of soul, human duty in society, thoughts on aesthetic beauty of ancient western philosophy are important enough to engage the attention of any student of Philosophy.

She also highlights the view of **Freud** that how mind gradually unfolds itself in the process of development into ID, Ego and Superego.

Associate Prof. Mousumi Guha at **Jadavpur University** presented an illuminating discourse on Philosophy of mind, issue of mental causation, nature of concepts, flok psychology etc.

Prof. Priyambada Sarkar at **University of Calcutta** elaborated beautifully about our most difficult philosophers of the world & an able thinkers of all the time i.e. **Wittgenstein**. Western idealism finds its best expression in him. His intuitive mind, theory of logical atomism, later confession, thoughts about culture & religion are indeed marvelous.

Prof. Sudhir Bhattacharya at **University of Calcutta**, adroitly taught us about stupendous thinkers of all times - **Hume & Kant.** They present different facets of wisdom of the world & the part they play in chastening th human mind in its endeavour to know truth is not only important but indispensable from the viewpoint of analytic philosophy. **Kant's** critical estimate of the views of modern science are a high watermark in the history of Philosophy.

Prof. Arun Kumar Mukherjee at **Jadavpur University** had been a keen observer & guiding fore throughout the workshop. This breath of vision in supernormal & the depth of his thought delighted our soul. He is a profound scholar & it was our pleasure to learn about Judaism from him.

Prof. Madhumita Chatterjee from **Jadavpur University** taught us about the holy preachings of Buddhism. The fact of four noble truths, causal law, momentariness etc. has nowhere found such powerful repression & pleading as in Buddhism.

Associate Professor Of Philosophy, Prabhakar Bhattacharya at **Serampore College,** terrificly confronted us with the history of Christianity, their religion and culture, various Sacraments & festivals etc.

Hence, the outcome of the workshop are as follows -

1. Understood the chronological development of Western philosophy.
2. Confronted with the views and thoughts of the West.
3. Studied various greatest thinkers of the world comparatively & analytically.
4. Related Jainism with other thoughts.
5. Gained vast & authentic knowledge from renowned scholars and professors from reputed universities.
6. Upgradation of the level of faculty members.

Hence, the purpose was fully met out in the course of this event. This initiative will prove itself to be a milestone for the better tomorrow of Jain Studies. It was felt by all the participants that such workshop should arranged every year. Name of the Faculty/ Admin Training Program: Faculty Development Program – Journey from Teacher to Guru

Date : Sept 10, 2018	**Resource Person :**
Number of Faculty Participants:36	**Number of Admin staff Participants: 0**

Description: The relationship between the teacher and the taught has been unique through the ages in Bharat. The teacher through his exemplary life and knowledge had always left an indelible impact on his disciples. The students, in turn, carried on the legacy and the wisdom of the guru and passed it on to the next generation. This wisdom was instrumental in safeguarding the personal and social values of the time. Ancient Indian lore is replete with such examples. Although the teacher continues to be the backbone in the current education system the perspective, role and responsibilities of the teacher has undergone a change. The primary responsibility of a teacher today appears to be merely ensuring the students' academic progress as a pathway to a lucrative career. Unfortunately, the fact that the responsibility of the teacher transcends the boundaries of a classroom has been pushed to the background. A teacher with vision, passion (for teaching), compassion towards students and above all, personal integrity and right conduct leaves a lasting impact on the young minds. It is such a role-model teacher who brings about inner transformation of students. Hence, in addition to being the cornerstone of the country's economic progress, the value-systems passed on by the teachers shape the socio-cultural fabric of the country. This program recognizes this missing link in contemporary teacher training framework and seeks to provide the much needed inputs to close this gap. The Objective of the FDP is

- To unleash the inner potential of teachers and enable holistic development
- To instill pride and passion towards their profession
- To encourage creation of innovative teaching pedagogies
- To empower teachers so that they become catalysts of change
- To facilitate the journey from Teacher to Guru

The FDP utilizes a blend of teaching pedagogies to make the entire experience inspirational, insightful and memorable. It includes Group Discussions, Activities and Games, AV Presentations, Counseling Sessions, Case Analysis, Experience Sharing

Name of the Faculty/ Admin Training Program: Behavioral Skills for Holistic Development

Date : Sept 22, 2018	**Resource Person :**
Number of Faculty Participants:32	**Number of Admin staff Participants: 0**

Description: Modern living driven by more materialistic pursuits. Modern education enables one to develop only domain specific knowledge and skills. But there is little cognizance of aspects like motives, values and attitudes need to be addressed. Faculty members and students are not equipped with the behavioral skills to understand and mange self and others, maintain a state of well being, take responsibilities in upholding moral and ethical values. Even such learning, if present remains in the cognitive level but does not get transformed into ones behavior. It is on this background that this program has been offered to all faculty members. The objectives of the FDP is to

- Highlight the ancient Indian wisdom and Indian ethos for modern life.
- Understand terms like values, belief, perception, innate abilities, ethics and morality.
- Follow a personal plan for developing and maintaining wellness.
- Manage self with emotional competency and ethical responsibility
- Mentor students effectively to make them responsible for their own learning and progress

उद्घाटन • लाडनूं में जैन विश्वभारती विश्वविद्यालय में दस दिवसीय संस्कृत संभाषण कार्यशाला का हुआ शुभारंभ

10 दिवसीय संभाषण कार्यशाला में बोले वक्ता- संस्कृत मधुर और सरस भाषा, इसकी सरसता को पहचानने की है जरूरत

भास्कर संवाददाता | लाडनूं

जैन विश्वभारती संस्थान के प्राकृत एवं संस्कृत विभाग के तत्वावधान में संस्कृत भारती जोधपुर के सहयोग से दस दिवसीय संस्कृत संभाषण कार्यशाला का उद्घाटन बुधवार को समारोह पूर्वक किया गया। संस्कृत भारती जोधपुर के प्रशिक्षक श्रवणकुमार ने इस अवसर पर कहा कि संस्कृत हमारे रक्त में है, उसे बाहर निकालने की जरूरत है। संस्कृत मधुर एवं सरस भाषा है, उसकी सरसता को पहचानने की जरूरत है। हम जैसे-जैसे अभ्यास करेंगे, वैसे-वैसे सफलता मिलती जावेगी। कार्यक्रम के अध्यक्ष विश्वविद्यालय के दूरस्थ शिक्षा निदेशक प्रो. आनन्द प्रकाश त्रिपाठी ने बताया कि सीखने के लिए वैराग्य और अभ्यास की अपेक्षा होती है। वह अभ्यास दीर्घकाल तक निरंतर एवं समर्पण के साथ करना चाहिए। प्रो. दामोदर शास्त्री ने कहा कि संस्कृत भाषा से ही भारत देश का गौरव है।

संस्कृत के विद्वान को मिलता है पंडित का पद

समणी नियोजिका मल्लीप्रज्ञा ने कहा कि संस्कृत भाषा के विद्वान को ही पंडित का पद मिलता है। प्राकृत व संस्कृत विभाग की विभागाध्यक्ष डॉ. समणी संगीतप्रज्ञा ने प्रारंभ में अपने स्वागत-भाषण में संस्कृत भाषा का महत्व बताया तथा कहा कि जैसे छोटा दीपक भी अंधकार को हरता है, वैसे ही यह कार्यशाला संस्कृत भाषा को जीवंत करेगी। कार्यक्रम का प्रारंभ मुमुक्षु बहनों के संस्कृत गीत में प्रस्तुत मंगलाचरण से किया गया। कार्यक्रम में समागत अतिथियों का शाल्यार्पण से बहुमान किया गया। अंत में डॉ. सत्यनारायण भारद्वाज ने आभार ज्ञापन किया। कार्यक्रम का संचालन विशुद्ध संस्कृत भाषा में समणी सम्यक्त्वप्रज्ञा ने किया। कार्यक्रम में अनेक प्राध्यापक, समणीवृंद, मुमुक्षु बहनें, शोधार्थी एवं विद्यार्थी उपस्थित रहे।

Name of the Faculty/ Admin Training Program: Pedagogical Methodologies

Number of Faculty Participants: 12	**Number of Admin staff Participants:** 00

Description:

Teachers in Higher Education Institutions usually join the teaching profession without any formal training in teaching methodology and learning psychology. Incidentally they develop teaching skills out of their own experiences or from experiences shared by colleagues in course of their teaching career. Most often, they are also influenced by the ways in which their teachers taught them. Pedagogy in higher education has undergone revolutionary changes in the past few decades. Traditional methods of lecturing have become obsolete in today's scenario where Outcomes Based Education and Student Centered Teaching has become order of the day. Further, emergence of a plethora of ICT tools and their usage in Teaching-Learning Process has been redefining the role of a teacher from a mere provider of information to a facilitator of learning. One day orientation program on Pedagogy has been conducted. The topics covered are

- Class handling
- Teaching/Learning Tools
- Research Methodologies
- Outcome Based Education
- Visualizing Scientific content
- Flipped Learning
- Digital Initiatives in Higher Education
- Working with Moodle – google class room
- Creating Learner centric environment
