Dear Sir/Madam,

Greetings from NAAC!

I am glad to inform you that the outcome of the Assessment and Accreditation exercise of your institution has been processed and approved by the Executive Committee of NAAC and your institution has been **Re-accredited** for a period of five years with a **CGPA** of **3.11** on a four point scale at **A Grade** valid from 08/07/2013. The original certificate of accreditation with the quality profile will be presented to the heads of accredited institutions during the "NAAC Accreditation Awards Ceremony" to be convened in due course. I am sure the detailed peer team report given to you already by the peer team will enable the institution to initiate further quality enhancement measures.

With best wishes,
Yours sincerely,

(Prof. A.N. Rai)

M E S S A G E

India's huge pool of young people might be considered its biggest strength. Unfortunately, the efforts undertaken by India to educate these young people are not suffice. Government data suggests that only one out of every seven children born in India goes to college. What's more, the nation suffers from both a crippling quantity, as well as a quality, challenge when it comes to higher education.

For instance, the QS World University Rankings, an annual listing of the world's top universities, had no Indian institutes in the top 200 of its recently released global list for 2013. Also, India has one of the poorest Gross Enrolment Ratios (GER) for higher education in the world. According to 2013 data, India's GER is near about 19 percent, compared with the global average of around 26 percent. Australia, Russia and the US, to name a few examples, have GERs upwards of 75 percent. Although the Ministry of Human Resources & Development had set a target of a 30 percent GER for India by 2020, that target can only be achievable if sustainable and human welfare oriented efforts are put into practice.

The scale of the challenges India facing today when it comes to higher education, it can be understood by certain figures. The total population between the ages of 15 and 24 in India is 234 million. If India is to meet its 30 percent GER target by 2020, about 40 million students would be enrolled in the higher education system in 2020. Currently, around 18.5 million students are enrolled in the higher education sector. The problem is that as increasing numbers come out of the high school system, we just don't have the capacity to absorb them into the college system. There is a massive mismatch in the supply-demand, of proportions that have never been seen anywhere or anytime in the world before.

It's a step forward that at least now we recognise the scale of the challenge. But, there is no way such magnitude of scale can be achieved by the government. It will need the private sector's active participation. To meet out the international standards for quality and research, GOI has to take very bold decisive policies to terminate illegal and unethical practices and promote socio-ethico-techno-spiritual programmes to bring forth innovative and sustainable development of our country and its enlightened citizens.

Commitment leads to action and action brings your dream closer. All the best wishes.....

The City LADNUN

Rajasthan is a magical land set amidst the desolate desert beauty. It is synonymous with romance and chivalry and is immensely rich in culture, history and natural beauty. Everything about Rajasthan fascinates from miles of golden stretches of sand to the kaleidoscope of magnificent forts, opulent palaces and marvelous havelies, each a splendid architectural creation having a legend of its own. The cities of Rajasthan still retain the medieval flavour keeping alive the timeless traditions in the rich art and craft.

Ladnun, the city situated in Nagaur District is famous for Jain temples of exquisite marble work, old Dargah of Umarshah Peer and other ancient temples of pilgrimage and architectural importance and above all for Jain Vishva Bharati Institute. It is the birth place of a great legendary and visionary Jain seer and saint Acharya Tulsi. The excursions from Ladnun within 40-45 kms are Dungar Balaji, Salasar Balaji Dham, Tirupati Balaji at Sujangarh. Ladnun is well connected by road from Delhi, Jaipur, Jodhpur, Bikaner, Ajmer and Ahmedabad and by rail services from Delhi via Ratangarh on the Delhi-Bikaner route or via Kuchaman-Degana on the Delhi-Jodhpur route.

Jain Vishva Bharati Institute (Deemed University)

Jain Vishva Bharati Institute is committed to provide highest quality of educational services to the utmost satisfaction of the students and give them an opportunity to cultivate an integrated personality blended with spirituality and moral values.

"Decision without profound thinking and thinking without firm decision is fruitless."

–Acharya Mahashraman

Anushasta, JVBI

"Many Institutes have state of art infrastructure but devoid of spirituality. There are some Institutes which have spiritual ambience but haven't sufficient resources. Jain Vishva Bharati stands out as unique Institute that has state of art infrastructure imbued with spiritual and moral fragrance."

–Prof. R.B. Tripathi
Chairman, NAAC Peer Team

JVBI was established with the inspiration of Gurudev Tulsi. In 1991, Government of India notified JVBI as Deemed University under Section 3 of University Grants Commission Act, 1956. The Institute continues to be housed in the common campus of its parent organization body Jain Vishva Bharati. Gurudev Shri Tulsi remained its first constitutional Anushasta (moral and spiritual guidance) followed by Acharya Shri Mahaprajna as its second Anushasta. Acharya Mahashraman is its present Anushasta. The goal of the JVBI has been clearly spelt out in the Preamble of its Constitution (Memorandum and Articles of Association) which reads as under:

"The Jain Vishva Bharati Institute is an endeavour in the direction of putting into practice, promote and propagate the high ideals of Anekant, Ahimsa, Tolerance and Peaceful Co-existence for the weal of the mankind. "We, the members of the Jain Vishva Bharati, therefore resolve to constitute and establish the said University of Advanced Studies, Research & Training in Jainology in the context of comparative studies in Indology, World Religions, Ahimsa and World Peace."

THE CAMPUS

Even though the town is located in an arid zone, the campus is full of greenery with parks, peacocks and gardens. It is like an oasis in the middle of the desert. The environment is free from noise and pollution. The spiritual ambience of the campus provides a peaceful atmosphere of the traditional "Gurukul", is ideal for studies and research. The academic environment on the campus fosters self-discipline promotes quality of life and commitment to higher values.

In todays competitive environment JVBI provides training for the improvement of communication skills, interpersonal relations, art of negotiation, decision making, development of self-confidence etc. for making the students able to stand in all challenging situations.

Review Committee on Value Education, Delhi

A Review Committee meeting was held on 25 Dec. 2014 at UGC, New Delhi. Hari Gautam, the former chairman of UGC headed the committee. He welcomed all the Vice-Chancellors and introduced the agenda of the meeting. Later the session was open for discussion. Each Vice-chancellor was asked to present their views regarding how to implement the values in course curriculum of higher education.

Vice-Chancellor, JVBI, Samani Charitra Prajna, said today education focuses on the physical and intellectual development of the student but higher education should have eye on developing their emotional and spiritual levels too. Science of Living can be the best tool to develop integrated personality. Our ancient Prakrit literatures too carry oriental values. So, Prakrit should also be given equal importance in the course curriculum. For teaching the values to students teachers should be given proper training and if they become the role models for the student then students will automatically imbibe the values in their life.

AUDITOR'S REPORT

To the Members of Jain Vishva Bharati Institute,

Report on the Financial Statements

We have audited the accompanying financial statements of **Jain Vishva Bharati Institute**, which comprise the Balance Sheet as at March 31, 2015, and the Statement of Income and Expenditure for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Institute in accordance with the Accounting Standard issued by the Institute of Chartered Accountants of India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Institute's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the Institute as at March 31, 2015; and
- (b) in the case of the Statement of Income and Expenditure, of the excess of expenditure over income for the period ended on that date;

Report on Other Legal and Regulatory Requirements

Further, we report that:

- (a) We have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion proper books of account as required by law have been kept by the Institute so far as appears from our examination of those books;
- (c) The Balance Sheet and Statement of Income and Expenditure dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the Balance Sheet and Statement of Income and Expenditure comply with the Accounting Standards issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS AS AT 31ST MARCH, 2015

Note: 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of Preparation of Financial Statements

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules 2006. Accounting policies have been consistently applied.

1.2 Use of Estimates

The preparation of the financial statements in conformity with GAAP requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to contingent liabilities at the date of financial statement and reported amount of the income and expenditure during the period. Examples of such estimates include provisions for doubtful debts, future obligations under employee gratuity plan, employee leave encashment, useful life of intangible assets etc.

Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as the management becomes aware of changes in circumstances surrounding the estimates.

The management periodically assesses using external and internal sources whether there is an indication that an asset may be impaired. An impairment loss is recognized whenever the carrying value of an assets exceeds its recoverable value.

1.3 Revenue Recognition

Revenue is primarily derived from realization of fees from students, grants from regulatory authorities & others, donations and return on investments.

- (1) Fees is recognized when it becomes due from students.
- (2) Interest is recognized using time proportion method based on rates implicit in the transaction. Dividend income is recognized when the institute's right to receive dividend is established.
- (3) Grants from Government / UGC / other agencies is accounted as under:
 - (i) Government grants/ UGC grants/ grants from other agencies related to depreciable fixed assets are treated as Deferred Income and is recognized in the income & expenditure statement on a systematic and rational basis over the useful life of the assets i.e. such grants are allocated to income over the periods and in the proportion in which depreciation on these assets is charged.
 - (II) Grants related to non-depreciable assets are credited to Capital reserve, as there are usually no charges to income in respect of such assets.
 - (III) Capital Grants not covered by (i) and (ii) above are credited to Corpus Fund.
 - (IV) Grants related to revenue are recognized on a systematic basis in the "income and expenditure account" over the periods necessary to match them with the related costs, which they are intended to compensate. Such grants are shown separately under "Revenue Grants Received" account. Unutilized grants appear as a current liability.
 - (V) A contingency related to a Grant is disclosed as a contingent liability by way of a note in accordance with Accounting Standard (AS-29) - "Provision for contingent Assets and Liabilities".
 - (VI) Grants available to the Institute are considered for inclusion in the accounts;
 - (a) When there is reasonable assurance that the University will comply with the conditions attached to them; and
 - (b) The Grant will be received.
 - (VII) Proceeds of sale of assets acquired out of Grant received from UGC is credited to unutilized Grant a/c and written down value of such assets is debited to Deferred Income a/c and credited to relevant asset a/c.

(4) Donation in cash or kind is recognized on the basis of actual receipt and is accounted for as General/Specific/Corpus Donation in accordance with the directions of the Donor.

1.4 Provisions and Contingent Liabilities

A provision is recognized if, as a result of past event, the Institute has a present legal obligation that can be estimated reliably, and it is probable that an outflow of cash will be required to settle the obligation. Provisions are determined by the best estimates of the outflow of cash required to settle the obligation at the balance sheet date. Where no reliable estimates can be made, a disclosure is made as contingent liability. A disclosure for contingent liability is also made where there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

1.5 Fixed Assets, Intangible Assets and Capital Work In Progress

Fixed assets are stated at cost less accumulated depreciation and impairments if any. Assets received as donation in kind are accounted for at estimated realizable value as determined by the management on rational basis at the time of its receipt.

Capital work -in - progress comprises outstanding advances paid to acquire fixed assets and the cost of fixed assets that are not yet ready for their intended use at the balance sheet date.

Intangible assets are recorded at consideration paid for acquisition of such assets and are carried at cost less accumulated amortization and impairment.

1.6 Depreciation and Amortization

(I) Depreciation on fixed assets/amortization of intangible assets is provided on written down value method at rates specified in appendix I of Income-tax Rules 1962 read with Section 32 of Income Tax Act 1961.

(II) Depreciation on assets acquired out of grants received from UGC and from other various government organizations on account of project grant is charged to income & expenditure account and amount equivalent to depreciation is transferred from Deferred Income account to "Revenue Grants Received" account.

1.7 Retirement Benefit to Employees

(I) **Gratuity** : In accordance with the Payment of Gratuity Act, 1972 the Institute provides for gratuity covering eligible employees. The gratuity plan provides a lump sum payment to eligible employees at retirement/ death/incapacitation/termination of employment of an amount based on the respective employee's salary and the tenure of employment with the institute.

Liabilities with regard to gratuity plan are determined by actuarial valuation at each balance sheet date using the statement given by Life Insurance Corporation of India. The university recognizes the net obligation of the gratuity plan in the balance sheet as a liability.

(II) **Provident Fund** : Eligible employees receive benefits from provident fund which is a defined benefit plan. Both the Employee and Institute make monthly contribution to the provident fund plan equal to specified percentage of the covered employees salary.

(III) **Leave Encashment** : The employees of the Institute are entitled to leave encashment in respect of accumulated leave. The liability towards leave encashment is administered by the Life Insurance Corporation of India. The contribution is made on the basis of confirmation received from the said Corporation.

1.8 Taxation

At present institute's income is exempt from levy of income tax as per the provisions of prevailing taxation laws. Accordingly , no provision for income tax/deferred tax is required.

1.9 Valuation of Stock

Valuation of Stocks of books (other than library books) and stores is valued at the lower of cost or net realizable value. In case of books, net realizable value is estimated at 50% of the printed price.

1.10 Investments

Fixed deposits with banks or others, permitted under income tax laws are also classified as investments. Management considers all type of investment as long term investments unless otherwise stated and same are carried at cost less provision recorded to recognize any decline, other than temporary, in the carrying value of each investment.

1.11 Cash & Cash Equivalents:

Cash & Cash Equivalents includes cash in hand, demand deposits with banks.

1.12 Impairment:

In accordance with AS 28 'Impairment of Assets' issued by the ICAI, the carrying amounts of the Institute's assets are reviewed at each Balance Sheet date to determine whether there is any impairment. The recoverable amount of the assets is estimated as the higher of its net selling price and its value in use. An impairment loss is recognized whenever the carrying amount of an asset or a cash generating unit exceeds its recoverable amount. Impairment loss is recognized in the Statement of Profit and Loss.

Note: 2 The figures have been rounded off to nearest rupee.

**Note:23 ADDITIONAL INFORMATION TO THE FINANCIAL STATEMENTS****23.1 Capital commitments and contingent liability :**

Sl. Particulars	Amount (in Rs. Lacs) as at	
	31-03-2015	31-03-2014
1.1 Estimated amount of unexecuted capital contracts (Net of advances and deposits)	8.00	Nil
1.2 Claims against the institute not acknowledged as debts* (Net of amount, if any, paid)	42.78	42.78

*Demand from an Architect, M/s Matharoo Associates claimed as Rs.42.78 lacs is disputed by the Institute and same is lying in appeal in the Hon'ble Court of District Judge, Merta City and also in the Hon'ble High Court of Rajasthan at Jodhpur. However, the parent body, Jain Vishva Bharati Ladnun has agreed in principle to bear all the liabilities, if any, which may arise in this case.

23.2 In the opinion of the Management, all the current assets, loans and advances and deposits given have a realizable value equal to the value stated in the books of accounts and accordingly they have been shown as good, unless otherwise stated.

23.3 In the opinion of the Management, realizable value of each of the fixed assets of the University is greater than their respective book value and hence there is no "Impairment in the value of the fixed assets" at the year-end.

23.4 Previous year figures have been regrouped/rearranged wherever necessary, to make them comparable with the figures of current year.

23.5 Figures have been rounded off to the nearest rupee.

Note:24 DISCLOSURES UNDER ACCOUNTING STANDARDS**24.1 Related Party Disclosures (As required under AS-18)**

As defined in Accounting Standard 18, the institute has not entered into any related transactions during current year.

24.2 Deferred Tax(AS-22)

At present institute's income is exempt from levy of income tax as per the provisions of prevailing taxation laws. Accordingly , no provision for income tax/deferred tax is required.
