1. Identification of Courses:

Departments at JVBI shall identify suitable courses on the SWAYAM portal relevant to their curriculum.

2. Registration Coordination:

Each department shall appoint a faculty member or coordinator responsible for overseeing the registration process.

3. Student Awareness:

An orientation sessions or workshop shall be conducted to educate students about the SWAYAM platform, its benefits, and the registration process.

4. Registration Period:

A registration period will be scheduled during which students can enroll in SWAYAM courses identified by their respective departments.

5. Registration Process:

Students shall visit the SWAYAM portal and create an account if they don't have one already.

They browse through the listed courses under their department's recommendations.

Students shall select the desired courses and complete the registration process.

6. Confirmation and Monitoring:

Departments receive confirmation of student registrations.

Regularly monitor student progress and engagement with SWAYAM courses.

7. Examination Process & Fee

- Exam will be held as per schedule on Swayam Portal.
- However, if a student wants to appear at JVBI, examination will be conducted as per JVBI schedule, along with semester exam and a nominal examination fee will be charged for the same, as decided by the Institute.
- No, extra fee will be charged.

8. Feedback Mechanism:

Establish a feedback mechanism for students to provide input on the registered courses and their experience on the SWAYAM platform.

Student Credit Transfer Policy

1. Evaluation of SWAYAM Courses:

Departments evaluate SWAYAM courses based on their alignment with JVBI's curriculum, learning outcomes, and academic rigor.

2. Credit Equivalency:

Determine the credit equivalency for each SWAYAM course based on factors such as course duration, depth of content, assessments, and alignment with JVBI's courses.

3. Credit Transfer Process:

Students shall complete SWAYAM courses and achieve the required passing grades.

They shall submit certificates or transcripts of completed SWAYAM courses to the department for evaluation.

4. Credit Transfer Evaluation:

The department reviews the submitted documents to ensure they meet the criteria for credit transfer.

If approved, the equivalent credits are transferred to the student's academic record at JVBI.

The transferred credits shall contribute towards the completion of the student's degree requirements.

5. Policy Review:

Credit transfer policy shall be periodically reviewed to ensure alignment with academic standards, SWAYAM course offerings, and institutional requirements.
