Tulsī Prajñā

A Quarterly Research Journal

Dear Colleague,

Tulsī Prajñā, a Bi-lingual Research Journal (ISSN 0974-8857) of Jain Vishva Bharati Institute, is being published quarterly; March, June, September and December since four decades. This peer reviewed journal deals with Oriental Studies in general and Jainism in particular referred and elucidating the ancient saying with modern Science.

Guidelines for Contributors

The Journal has been upgraded as a **Peer Reviewed Journal**. Therefore, all contributions will be referred to specialists in respective field for expert evaluation. Articles based on discovery of new facts or new interpretations of or relationship between already discovered facts will be welcomed.

1. Tulsī Prajñā mainly focuses on Indological subjects, covering the areas, such as, Language, Literature, History, Philosophy (all traditions and schools), Arts, Discourse analysis and so on.
2. Editor reserves the right to make final alterations in the text, on linguistic and stylistic grounds, so that the entry conforms to the uniform standard required for the journal.
3. All scripts should be in duplicate with soft copy and typed double-spaced, including quotations, notes and references etc.
4. Soft copy should be in Page-Maker format with necessary diacritical marks and the Times-Norman script should be used in English articles. For the articles written in *Devanāgarī* script, Shree Lipi/Kruti-Dev should be used.
5. Quotation is expected to be identical verbatim et litteratum with the original; To indicate ellipsis three single dots are to be used; Long quotations consisting of five or more lines do not need inverted commas.
6. Contributors must provide their complete mailing addresses and email address along with their articles.
7. Length of the article may be restricted between 4000 and 6000 words.
8. Concise Oxford Dictionary or Oxford advanced Dictionary (latest edition) should be followed in spelling, punctuation and hyphenation. Where two spellings exist, British style should be accepted and not the American; for example, 'programme' and not 'program' and 'colour', not 'color' etc.
9. References and notes should be numbered consecutively throughout the article and typed on a separate page at the end.
10. References are to be given generally in the order – the name or initials of the author followed by surname, the title of the work (in italics), the publisher, the place of publication and the page number/s for
